• Maximum weight and dimension of one package:

Maximum allowed weight of each package is 3 metric tons. For shipments with weight greater than 3 metric tons or length longer than 3 meters or height higher than 2 meters please contact our office for extra charges confirmation.

• Overweight Surcharge (OWS):

For shipments with total weight over 3 metric tons or with weight in metric tons higher than volume in cubic meters we will apply OWS surcharge individually. Please contact our office for details.

Marks and numbers:

Please make sure your shipments are always properly marked, including the port of destination. It is also imperative that the marks and numbers on all documentation match the actual marks and numbers on the cargo. This may seem self-evident, however, our warehouses are regularly faced with discrepancies, which may result in misdirection and/or loss in port of loading or in port of discharge.

• By ordering the transportation service, the customer accepts and agrees to adhere to Austromar's General Conditions and the Complaints Policy.
